COMPLETED

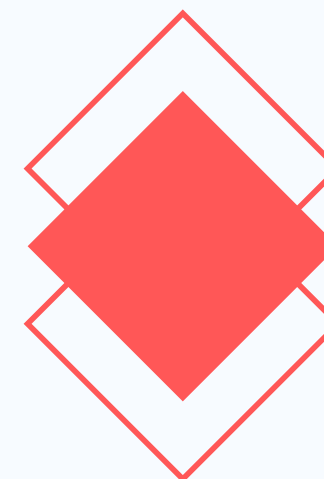

OUR PRODUCTS

Smart Safety Solutions. Reliable Protection.

Explore our range of Gas Leak Detection & Talk Back Systems, engineered for dependable safety and emergency response.

CONTINUE

GAS DETECTOR

- REAL-TIME GAS DETECTION: DETECTS HARMFUL AND COMBUSTIBLE GASES QUICKLY AND ACCURATELY.
- COMMERCIAL-GRADE DEVICE: DESIGNED FOR RELIABLE AND CONTINUOUS OPERATION.
- ADVANCED DETECTION TECHNOLOGY: PROVIDES EFFICIENT AND DEPENDABLE GAS MONITORING.
- ROBUST ALARM SYSTEM: GIVES CLEAR ALERTS DURING GAS LEAKAGE OR HAZARDOUS CONDITIONS.
- EXTERNAL INTEGRATION: CAN BE INTEGRATED WITH EXTERNAL CONTROL AND SAFETY SYSTEMS.
- COMPACT DESIGN: SPACE-SAVING DESIGN SUITABLE FOR DIFFERENT INSTALLATION ENVIRONMENTS.
- HIGH DURABILITY: BUILT FOR LONG-TERM AND RELIABLE PERFORMANCE.
- REGULATORY COMPLIANCE: DESIGNED WITH APPLICABLE SAFETY AND REGULATORY REQUIREMENTS IN MIND.
- WIDE APPLICATIONS: SUITABLE FOR RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL ENVIRONMENTS.
- ENHANCED SAFETY: HELPS MINIMIZE RISKS ASSOCIATED WITH GAS LEAKAGE AND HAZARDOUS GASES.

TALK BACK SYSTEM

- BESA TALK BACK SYSTEM IS A RELIABLE EMERGENCY COMMUNICATION SOLUTION FOR FIRE & LIFE SAFETY APPLICATIONS.
- ENABLES QUICK COMMUNICATION BETWEEN THE CONTROL PANEL AND TALK BACK BOXES ACROSS MULTIPLE ZONES.
- FEATURES MIC-BASED COMMUNICATION FOR SENDING EMERGENCY MESSAGES AND RECEIVING RESPONSES.
- SUPPORTS UP TO 24 ZONES WITH SIMPLE CONTROLS FOR SILENT, RESET, TEST AND ALL CALL FUNCTIONS.
- DESIGNED FOR EASY OPERATION, QUICK RESPONSE AND RELIABLE PERFORMANCE IN RESIDENTIAL, COMMERCIAL AND INDUSTRIAL PREMISES.

OUR PARTNERS

EATON

Authorized supplier of Eaton Cooper fire alarm, detection, and public address systems, providing reliable fire alarm panels, detectors, modules, emergency communication, and life safety solutions for commercial, industrial, and residential applications.

EKAVIS

Authorized distributor for Ekavis innovative fire alarm & life safety products, offering reliable solutions for fire detection, alarm systems, emergency communication, and comprehensive life safety applications for commercial, industrial, and residential projects.

BESA LIFE SAFETY

Manufacturer of BESA Gas Leak Detector — accurate LPG & PNG leak detection for commercial and residential applications. BESA also manufactures Talk-Back Systems designed for reliable two-way communication, enhancing safety and emergency response in residential, commercial and industrial environments.
